

As a passionate advocate for fine dining and personalized hospitality, I wanted to bring something truly special to Sarasota - an establishment that would stand as a beacon of sophistication and warm, thoughtful service.

Nestled in an Art Nouveau building from the 1920's, Sugar Champagne Bar is a celebration of elegance, where every detail is designed to elevate the senses. What makes us stand out is our commitment to creating experiences that feel as personal as they are indulgent.

Sugar Champagne Bar is more than just a destination - it's an opportunity to bring life's most cherished moments. It's where memories are made, and every visit leaves you longing for more.
